THE VISION 2025

Our vision for the Sacred Magdalene Festival in Glastonbury is to create a timeless sanctuary—a living temple of sacred union where we honour the Rose of Devotion and deeply respect the ancient heritage of the Festivals of Light, the devotional path of the Magdalene, and the mysteries of the rose.

Co-created by Anaïs, Caroline and Chloé, the festival's founders and creators, our purpose is to invite you into this inner sanctum, where we celebrate and revive these profound traditions.

Embrace Mary Magdalene's legacy in Avalon as we awaken the ancient rose within us all, fulfilling the prophesied return of the Magdalene at this pivotal time. Together, we cultivate a space of beauty, power, and grace—a temple scented with the fragrance of the rose, resonating with the sword of truth. Experience the sacred energies and ancient wisdom on Avalon within a community, guiding profound union and spiritual growth.

love,

Anaïs, Caroline and Chloé
